MS AMENDMENT  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Applicant hereby responds to the Office Action of June 21, 2007, in the above-referenced patent application. Claims 1-61 are pending in the above-referenced patent application. The Patent Office required an election of one of the following inventions:

Species of Figure 2; or

Species of Figure 10.

In response to the Election of Species requirement, Applicant hereby elects Figure 2, on which claims 1, 3-58, 60, and 61 read. Claims 1, 3, 37, 52, and 57 are generic.

Examination and allowance of the claims are respectfully requested.

This provisional election is done with traverse to the extent this restriction requirement might later be shown to be misplaced, and without prejudice to the filing of possible divisional applications directed to the subject matter in the non-elected claims.

The Patent Office's consideration of this matter is gratefully appreciated.

Please charge any additional fees or credit any over-payment to our Deposit Account No. 01-1960. A duplicate copy of this letter is enclosed for this purpose.

Dated: July 19, 2007

Respectfully submitted,
